

Learn Grow Dream

Messiah Preschool offers a Christian environment for growth, learning and development in all areas – physical, mental, social, emotional and spiritual. Our program balances quiet indoor play with vigorous outdoor activity, along with opportunities to experiment with music, art and science. Our highly experienced staff and spacious, new facilities help create a preschool experience you can trust!

Our Philosophy

At Messiah Preschool, we believe education at this age does not mean formal teaching or structured learning. It means enjoying a variety of interesting and childlike first-hand experiences; learning to get along with other children through supervised play in a child geared environment; developing independence and trust in adults outside the home; and learning problem-solving skills.

Our Goals

- *To help each child grow in self-understanding.*
- *To help each child learn about the physical world through his/her five senses.*
- *To help each child build satisfying relationships with other people.*
- *To encourage an awareness of God's love for all people.*
- *To help each child experience the love, support and acceptance of Christian fellowship.*

Our Activities & Events

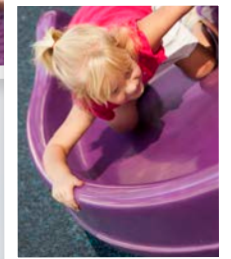

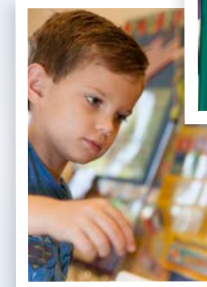

We offer a full range of activities each day – and are open from 7 a.m. to 5:30 p.m., Monday through Friday. We offer curbside watch for sleeping children in cars while you drop off and pick up your preschool students. Among our special programs:

- *PT Program For Large Muscle Development*
- *Buckle Bear Car Safety Program*
- *Zoophonics Program*
- *Science On The Go*
- *Speech, Language, Hearing And Vision Screenings*
- *Kindergarten Readiness Screening*
- *Health Check Greeting (Hug) Line*
- *Summer Camp Program*

Our Special Days

Our students also enjoy a wide variety of “special” school days – including *Pajama Day, Teddy Bear Day, Pizza Day, Circus Day, Family Picnic Day, Dad N’Me Day, Grandpa’s Day, Mom’s Day* and more!

Field trips, open house, chapel time with the pastor, Scholastic Book orders and school photos round out the program.

Welcome!

Messiah Preschool is a place where children know they are accepted and loved for who they are... a place where laughter and play are cherished. Our curriculum focuses on learning through a "hands on" approach. It is a time for exploring, creating and discovering the wonders of God's world. Each family is an important part of our program and we hope you feel that from the beginning.
