

Reflection and Discussion Questions

1. What would be your “Sunday School Answer” to the question of why Jesus came or why He died? Do you have a different answer as an adult?
2. How has God provided for you physically? Spiritually? When you think of God providing for you spiritually, do you think of God the Father, the Son, or the Holy Spirit?
3. In what ways do you experience the presence of God, whether God the Father, Son, or Holy Spirit? In Nature? In other people? In reading scripture or praying? Other ways?
4. How could God provide for or be present with you now? You are invited to request prayer through Messiah’s website or to call a pastor.
