

The following prayers have been requested:

From the Evans family, "may almighty God continue to heal 23-year-old Alexis Evans who continues to be on life support following a traumatic accident on the 91 freeway. Her parents and family are lifting her up to Jesus as all are praying for a miracle."

From Brenda Gaumer for Bob Gaumer for continued recovery following ampullary cancer surgery and for God's comfort during his hospital stay.

From Evelyn Harris and friends for Greta Gulickson and her family upon the passing of Jerry Gulickson, for comfort and peace.

From Kelly Polis for her friend's mom, Mers, for healing and comfort.

From Sharon Larson for the family of her niece, Vicki Sietz who was on a ventilator for 29 days and recently passed away due to complications from Covid.

From Jan Aguirre for Charlen Hamer for healing and strength after breaking her left wrist.

From the Kelly family for Scott, for comfort and full recovery from an experimental treatment for lymphoma.

For Laura who has both parents fighting health problems. Her mom, Anne is fighting Sepsis and her dad, Richard has a tumor pressing against his heart. Please pray for healing for Anne and Richard and for strength and peace for Laura as she navigates this difficult situation.

For Jake Bach who is had a procedure to blast some kidney stones, for comfort and healing.

From Mary Allred upon the passing of her brother before moving home for Hospice. Mary and her sister-in-law were with him and it was a peaceful passing.

For recovery for Sara Falk who had back surgery and is in a rehab facility to help her get strength back in her legs so she can go home.

From Ross and Terry Patrick for Regina McIntyre who is 92 years old dealing with the passing of her two daughters within a week of each other and now trying to sell her house and decide what to keep from her three story home in Washington and move to Texas near her son.

For Debbie Clark, who has been diagnosed with breast cancer.

For Doug and his family. Doug is hospitalized with Covid and on a ventilator. He is fully vaccinated.

From Jan Hodgson for her friends, Bria and Greg of Henderson NV with COVID, for healing.

From Jan Aguirre for her friend, Nori who had a displaced fracture of her femur two weeks after a hip replacement requiring a second surgery and extended stay at a rehab facility.

From Kathi and Terry Shroeder and family for Logan Shroeder, families and friends of Rylee Goodrich and Anthony Barajas, a couple shot in a Corona movie theater. Rylee died immediately while Anthony was hospitalized, but later taken off life support.

For the Doan family, heartbroken after the passing of Bob.

From Lana Hammond for Frank Muriello.

From Monique for her husband, for his kidney transplant and heart to continue to heal and may his body readily continue to accept Monique's kidney.

For Jeff Blumer and his doctors.

From Jim and Cathy Kelly for their niece, Melissa who has been diagnosed with breast cancer, for strength and healing.

From Evelyn Harris and friends for Lucille Hoogesteger's relatives and friends upon her passing.

From Terry Patrick for Diane and Patty McIntyre.
