

# APRIL

Messiah Preschool 2021

Donna Swanson, Director

Happy Spring! I am amazed at how quickly each month passes! March was busy for all of us here at Messiah. Teachers were assessing their classes for progress reports and meeting you at Parent Conferences.

Thank you for your support with the Olympic-a-thon. We have reached the \$7,000 mark in donations! What a blessing!! During the month of April our theme will be "Taking Care of God's World". We will be learning all about the rainforest, recycling, and insects.
